

# Kitney® Creating better, safer workplaces

Safe, healthy, capable and productive. Services that meet business needs and solutions that work. Call us on **07 3014 1233** for more information and a no obligation discussion.

## Our Services

Kitney provides a wide range of health, safety, quality, environmental and risk services meeting legal obligations, tender and customer requirements, certifications and business needs. Based in Brisbane we offer services throughout Australia and overseas. We work with senior executives, business owners, managers, WHS personnel, safety officers, lawyers, HR managers and industry groups to ensure that health, safety, quality, environment and risk are managed effectively.

### Consultancy

Highly skilled and experienced consultants providing WHS, quality, environmental and risk services to start-ups, small, medium and large organisations across industry.

### Toolkit

A comprehensive and practical WHS, quality environmental and risk resource, providing organisations and individuals with manuals, systems, toolkits and documents.

### Learning

Providing coaching, education and training at all levels within organisations, for industry groups, conferences and seminars together with a free to access Info Centre.

## Our Clients

Our clients include owner operator, small, medium and large organisations across industry, including heavy and light manufacturing, agriculture, service, health, aged care, banking, retail, not for profit, fast-food, hospitality and entertainment. Our clients have operations in Queensland, across Australia and overseas, with our services taking into account state, territory and country health and safety obligations and standards. See our website for more about our clients and testimonials.

## Our People

Kitney is managed and led by Jo Kitney, Director and Principal Consultant. Our team are qualified and professionally recognised, have held operational and management positions and have many years experience working across industry. Strong professional backgrounds ensure we deliver solutions that work in the short, medium and longer term.

Our team is supported by our general manager, office administrator, web and graphic designer, IT and systems designer, all aimed at creating better, safer workplaces.

## Our Guarantee

We provide professional and practical solutions for clients based on good practice, compliance and industry experience. Our mission is to create safe, healthy and productive workplaces and enable businesses capability. We pride ourselves on great client relationships, customer service and value for money. Our services range from one-off projects to regular services and retainers.
