

## APPOINTMENT TO MANUFACTURING INDUSTRY SECTOR STANDING COMMITTEE

**FOR IMMEDIATE RELEASE: July 2019**

### **Jo Kitney appointed to OIR MISSC**

Jo Kitney is pleased to announce her appointment to the OIR (Office of Industrial Relations) Manufacturing Industry Sector Standing Committee (MISSC).

Brisbane, QLD: On the 5th July 2019, OIR Manufacturing Industry Sector Standing Committee appointed Jo Kitney, the Director and Principal Consultant of Kitney, as a member of the Committee. The Committee is responsible for providing Workplace Health and Safety Queensland's Work Health and Safety Board with industry-specific advice regarding workplace health and safety in the manufacturing sector. Members of this Committee act as representatives of employers and workers in the areas of manufacturing across industry and business.

Upon being appointed to this position, Jo expressed her pleasure at being part of the Committee and is anticipating her new capacity to support the Work Health and Safety Queensland Board, through her significant experience in the area of workplace health and safety.

“The opportunity to contribute and support the MISSC with my experience and background in health and safety is particularly important and I very much look forward to joining other members of the Committee in this role” says Jo. “My manufacturing industry experience is across industry working with businesses, employer associations and unions and will present an experienced, insightful and balanced view point as contribution to the role and purpose of the Committee”.

Jo Kitney

Managing Director, Kitney OHS
